

Town of Knox
Conservation Advisory Council
Meeting Date: January 21st, 2016

Present: Nathan Giordano
Dee Woessner
Pat Irwin

Also: Dan Driscoll

MINUTES

At the request of Amy Pokorny the CAC discussed some possible FAQs to be added to the town website along with a description of the CAC.

The CAC reviewed the Natural Resource Inventory put together by the Berne Conservation Board.

The CAC reviewed and drafted a letter of support for the amendments to the zoning ordinance drafted by the Planning Board regarding noise and lighting regulations.

The CAC discussed some ideas for upcoming projects to work on in 2016, including;

- Locating and cataloging paper records of past CAC work
- Compiling existing underground water system studies into one centralized summary document
- Schedule a presentation to the CAC by a representative of the NE Cave Society
- Completing a Natural Resource Inventory for the Town
- Explore resources available to create pollinator gardens in the Town
- Explore options for creating a designated re-use area at the transfer station
- Explore the process of converting the CAC to a Conservation Board

The next CAC meeting will be February 18th 2016.
