

**Town of Knox
Albany County, New York**

APPLICATION PROCEDURES FOR SPECIAL USE PERMIT OR AMENDMENT

1. An application for a special use permit or an amendment thereto shall be made by the applicant to the Building and Zoning Administrator. The applicant shall provide **TEN (10)** separate collated packets, each containing copies of **ALL FORMS** (but not instruction sheets or code sections) in this application packet, the deed, site plan, property survey (when required), narrative and other pertinent information. The site plan shall be drawn to scale and dimensioned and shall show all buildings (dimensioned) with setbacks to streets and property lines, location of utilities (septic systems and wells, including those within 100 feet of property line on adjoining properties), buildings, location of signs, parking layout, topography, sidewalks, street and curb cuts, wetlands, water bodies, flood plains, landscape plantings and green area plans, and any other pertinent information. A property survey shall be required when the property has been subdivided or when the Town Building and Zoning Administrator, the Zoning Board or Planning Board requests a survey to facilitate application review. The narrative shall fully describe all uses on the property, identify the number of employees, hours of operation, the septic system (size, capacity, age), well (age, driller, depth, gallons per minute, quality of water), description of signs and other pertinent information. The application shall be in harmony with the following:
 - a. The use will not prevent or adversely impact the orderly and reasonable use of adjacent properties or of properties in adjacent use districts.
 - b. The use will not prevent or adversely impact the orderly and reasonable use of permitted or legally established uses in the district wherein the proposed use is to be located.
 - c. The public health, safety, general welfare or order of the Town will not be adversely affected by the proposed use in its location.
 - d. The use will be consistent with and promote the general purposes and intent of the Comprehensive Plan, the Zoning Ordinance and other local, state and federal laws and regulations.
 - e. The character of the existing uses and approved future development in the district will not be adversely affected by the location of the proposed special use in the proposed location.
 - f. Property values in the vicinity of the proposed specially permitted use will be conserved and the most appropriate use of land will be encouraged.
 - g. The proposed use will not increase vehicular traffic congestion on public streets and highways such that neighboring uses and public safety are adversely affected.
 - h. The proposed site will provide adequate ingress, egress and parking to protect against hazardous traffic and/or parking conditions.
 - i. There will be adequate and proper public or private facilities for water and for the treatment, removal or discharge of sewage, refuse, or effluent (whether liquid, solid, gaseous or otherwise) that may be caused by or as a result of the proposed use.
 - j. Operations at the site and the use of materials incidental thereto or produced, will not give off obnoxious odors, smoke or soot, or cause disturbing emissions of electrical charges, dust, light, vibration, noise or other nuisances detrimental to the public health, safety and general welfare or the quiet enjoyment of neighboring properties.
2. The Building and Zoning Administrator shall determine if the special use is a permitted use per Town code. If it is determined that the use is permitted, the Building and Zoning Administrator shall forward 4 copies of the application to the Zoning Board of Appeals, four copies of the application to the Planning Board, one copy to the Albany County Planning Board (if required per paragraph 3 below) and one copy shall be retained in the files for public review.

3. The Secretary for the Zoning Board of Appeals shall refer all applications for properties that fall under Section 239-m of the General Municipal Law to the County Planning Board for a determination. Generally, these would include properties within 500 feet of a town boundary, a county or state park or other recreational area, thruway or other controlled-access highway or the right-of-way, or any county-or state-owned land in which a public building or institution is situated. **Applicants should be aware that the County Planning Board meets once a month and this may cause a delay in scheduling the application for the Zoning Board agenda.**

4. When the application is placed on the Zoning Board agenda, the Secretary for the Zoning Board of Appeals will notify the applicant of the date and time.

5. NOTIFICATION REQUIREMENTS:

At least seven days but not more than 20 days before the date of the hearing, the applicant shall mail a copy of legal notice of the hearing to all property owners of property within 500 feet of the applicant's parcel following the procedure below:

a. At the time of submission of the application for preliminary site approval as provided for herein, the applicant shall submit, in addition to otherwise required documentation, the following:

- (1) A reproduced copy of the Tax Map or extract of the Tax Map depicting the parcel(s) of land proposed for site plan approval and all lands within 500 feet distance from the perimeter thereof.
- (2) A list of the names and addresses of the property owners within 500 feet distance from the perimeter of the lands proposed for site plan approval as ascertained from the office of the Town Assessor.
- (3) Proof required

(a) The applicant shall submit satisfactory proof that the property owners within 500 feet of the perimeter of the lands proposed for site plan approval have been notified in writing of the nature (include a brief narrative about the project and its location, including number of units, approximate commercial square footage) of the proposed site plan, and such notification shall also include the following written statement: "An application for site plan approval of lands within 500 feet of your property is being proposed. The site plan application will be filed with the Building Department of the Town of Knox and may be reviewed by you during normal business hours at Town Hall. Please call the Building Department at **(518) 872-2551 or (518) 872-1274** if you have any questions about the procedures to review this application and the process for consideration of the proposal

(b) Proof shall be deemed satisfactory for purposes hereof if the applicant provides evidence of mailing, by certified or registered mail, or certificate of mailing and files the receipts with the submission. Regular mail is not satisfactory notice.

b. In the event that the applicant or a related company or corporation owns lands adjacent to the lands proposed for site plan approval and within the 500 feet of the perimeter of the lands proposed for site plan approval, then, in such event, the notice required herein shall be provided to property owners within 500 feet of the parcel adjacent to the parcel proposed for site plan by the applicant.

6. The fee for a Special Use application is payable at time of submission.
