Subject: Proposed Accomadation

AI. As an accommodation for your daughter, I propose the following. No construction activity may commence on the first 300 feet of the northerly section of the project along the boundaries of Robert M. Gordam (L-2902 P-976) Alan Gaige (L-2264 P-717) and Lori E. Brucker (L-2902 P-976) until 10:00 a.m. Alan Gaige must be notified on each evening prior to the start of any construction activity within this buffer.

Please let me know your thoughts.
