A special meeting was held to address the request of Nadia Raza to waive her 30-day waiting period to apply for her liquor license as new owner of Joe's Township Tavern.

A temporary CO had been issued for take out only while the fire alarm system was supposed to be worked on as it was not in full working order. The temporary CO had been issued for take out only until the repairs had been complete. It was found that there had been dine in seating taking place without the repairs completed, which the Building Inspector stopped immediately, and the business continued with take out only.

After a brief discussion, the Board decided to approve the waiver for the 30-day wait period and will stay in touch with the Building Inspector to make sure all requirements are met for a permanent CO.

Although not present, it is noted that Councilmen Cyr and Saddlemire gave their approval via email and phone call to the Board/Supervisor.
