Public Comment

Joan Adriance asked why this meeting was not posted on the sign. Supervisor Lefkaditis stated it was an oversight, however the meeting was posted on the website and Facebook for several weeks. She also stated the meeting minutes were not available within the Local Meetings Law time frame and that the link was not working. She asked why the positions discussed at last months meeting were not posted. It was explained that some were, and she disagreed as she checked the site every single day. She asked who interviewed the Transfer Station candidates. Gary Salisbury stated he did, then clarified who specifically she was referring to. There were 7 candidates, Mr. Salisbury did not speak with Dick. She stated her husband Joe told her that he was told he needed to be interviewed but that it never happened. Mr. Salisbury stated he spoke with him on Saturday. Mark Young asked if he himself was interviewed and Mr. Salisbury stated as much as he interviewed anyone. Mrs. Adriance made a statement that the Transfer Station appointment was the only one posted, other than vacant Board

positions, Committee appointments, a few open positions, that this was both personal and political and shameful that three Transfer Station employees have been voted to be replace.

Supervisor Lefkaditis addressed the Board regarding current advertising. In the history of the Town, positions have never been advertised, and he is proud of the fact that we have opened up local government to the community and as a result we have gotten significantly better results in the last several years. Councilman Barber expressed concern that only 10% of residents see the sign by the Firehouse. Supervisor Lefkaditis stated the Town is trying to cover as many as many bases as possible through use of electronic signs, Facebook page, newsletter and website and the Town will continue to work on it.

Mark Young spoke to the Board. He stated he received a phone call from Vas stating he would not be reappointed to the Transfer Station, as well as receiving a call from Joe Adriance saying he had received the same call. He stated he was unsure about Dick. Supervisor Lefkaditis stated he did not have Dick's number. He stated that not being reappointed was solely a political decision and not based on performance or capabilities. He respectfully asked the Board to reconsider and reappoint the people who are doing the job now.

Debbie Marchuka stated she does not understand why these men wouldn't be reappointed. She stated they are helpful, kind, decent human beings and doesn't understand why they wouldn't be reappointed and why their jobs would be taken away from them.

Rose Pritchard stated on a positive note she would like to acknowledge the Rock Road Chapel for all the work they are doing for underprivileged people in this Town. They have a food pantry and service several hundred families a month. Supervisor Lefkaditis agreed and will add this to a future agenda.

Joan Adriance asked on a positive note that the Supervisor thank the Transfer Station workers for the amazing job they've done. Supervisor Lefkaditis stated he thanked workers on the phone. This was acknowledged by Mark Young.

RESOLUTION 028-2019 – A motion was made by Supervisor Lefkaditis, seconded by Councilman Barcomb to adjourn the meeting. This motion carried unanimously.

RESOLVED: to adjourn the meeting.

Respectfully submitted,

Traci Schanz

Knox Town Clerk
