Town of Knox Newsletter

January - June 2017

## News from your local town government

PO Box 116, Knox NY 12107

**WELCOME!** We hope this newsletter will give you a better understanding of how town government serves your community. We hope it will help you connect with the services it provides, and with the people who are your representatives. Contact information is on the back page and at: [www.knoxny.org](http://www.knoxny.org).

### **TOWN BOARD Meetings now begin at 7PM!**

**We're proud to announce these new public servants:**

**Dan Hanley**, Town Council

**Amy Pulliam**, Deputy Town Clerk

**Megan Mason**, Emergency Services Coordinator

**Travis O'Donnell**, Planning Board

**Eric Marczak, Doug Roether**: Zoning Board of Appeals

**Eric Kuck, Kevin Sherman**: Conservation Advisory Council

**Clark Conklin, John Graves**: Board of Ethics Review

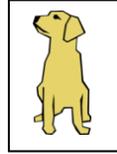

Many thanks to **Eric Kuck** for his service on the Town Council during the past year, and to **Bob Edwards** for his 18 years and **Gayle Burgess** for her 9 years of service on the Zoning Board of Appeals.

We mourn the loss of **Dan Driscoll**, whose many contributions to our town have helped preserve the natural beauty and rural character of the landscapes we treasure. Visit the trails of Winn Preserve on Street Road to hear his voice again via QR codes.

The Town is looking at the **Feasibility of a Holding Shelter in Knox** for the DCO to hold **stray or dangerous dogs** to:

1. reduce shelter costs and other dog control program costs for dog owners and for the Town; and
2. make the dog control program more convenient:
  - for the Dog Control Officer (DCO) to hold unlicensed dogs that are found, and
  - for dog owners to claim their dogs.

## Dog Licensing: It's the Law

NYS Ag & Markets law requires all dogs 4 months or older that reside in NYS over 30 days to be licensed in the municipality in which the dog owner resides.

### **Benefits of licensing your dog:**

- If your dog gets loose and is found, the Dog Control Officer (DCO) will be able to identify and return it to you right away at minimal cost.
- Your dog will be up to date with its rabies shots.
- You can save hundred\$, even thousand\$ (see below):

### **How to license your dog:**

1. Call or visit the Town Clerk (872-2551, X1) during listed working hours and bring a current Rabies Certificate and spay/neutered certificate. Albany Co. schedule of **no cost rabies clinics** (\$8 suggested voluntary donation per animal) is posted at: <http://www.albanycounty.com/government/departments/departmentofhealth/programsandservices/laws/forpetrabiesimmunizations/rabiesclinicschedule.aspx>
2. Pay \$5 for license and \$3 tag if neutered/spayed  
Pay \$13 +\$3 if your dog is NOT neutered/spayed
3. Make sure your dog always wears its license tag!

### **IF YOU DO NOT license your dog:**

- If your unlicensed dog gets loose and is retained by the Town DCO, it may be held for 5 to 9 days, and afterwards become property of the Town of Knox.
- You will incur fees for shelter and mandatory care during the holding period that can range from \$25 to as much as \$1,000 or more.
- You must currently drive to Menands to claim your dog. Contact the DCO for claim/pick up procedures.
- You must get your dog licensed anyway.

***If all dog owners in Knox were to license their dogs, the cost of the dog control program would be appropriately borne by the dog owners, rather than passed on to all of the Knox taxpayers. Questions? Call Dog Control Officer Lou Saddle mire at 872-2551, X7 or 390-6186.***

# KNOX YOUTH COUNCIL NEWS

- by Maryellen Gillis

Happy New Year from the Knox Youth Council!

The second half of 2016 brought the "revival" of the summer program, the "continuation" of the very successful soccer program and the "introduction" of "Halloween Haunts", a Knox Youth Council (KYC) sponsored Halloween party.

Over 70 children participated in the Knox Summer Camp held in August of 2016. Held in the Knox Town Park, children pre-k through 8<sup>th</sup> grade celebrated "Mother Earth Week" with presentations by the Emma Treadwell Thacher Nature Center Staff, and the Cornell Cooperative Extension staff. The campers wrote songs with Richie Phillips (former morning show host of WGNA), built boxes and nesting shelves, played games and created pieces of art while learning about recycling and how to be a responsible citizen. The week culminated with a family picnic. Many thanks to KYC members Sandra Quay, Tamara Fisher and Sarah Pasquini for their outstanding efforts in bringing the summer camp to the children of the Hilltowns. We would also like to thank the staffs of Cornell Cooperative Extension and the Emma Treadwell Thacher Nature Center, Supervisor Vas Lefkaditis, Bill Pasquini, and Richie Phillips for sharing their talents with our youth.

The fall brought out 97 student athletes, pre-K through grade 6, to the very successful and continually growing Knox Youth Soccer Program. Many thanks to Peter and Maria Evans, Sarah Pasquini and Tom Payne for coordinating the many volunteers and athletes who participated, learning soccer skills and practicing sportsmanship during the

## **Congratulations to Delia "Barney" Palombo!**

Our 94 year old Delia "Barney" Palombo made the news this fall as the recipient of a **lifetime achievement award for community service** from the Capital District Senior Issues Forum. On October 20 she was honored at an awards ceremony in Albany.

She was recognized for her many years of service to others until she retired at 90: caring for the sick, donating to, and working for St. Lucy Food Pantry, working as the town tax collector, serving in the Knox Fire Company Ladies Auxiliary, and running the local tavern as a community gathering place. She is a parishioner of St. Lucy/St. Bernadette Church in Altamont.

The Town of Knox is certainly grateful to Barney for her service as tax collector for over a quarter of a century!

six week program. Thank you also to the many volunteer coaches who made the program a success!

Halloween was just a bit spookier this past year as over 120 children and their families participated in our first KYC sponsored Halloween Party. Our children enjoyed spooky games, face-painting, crafts and a haunted hay maze. The event was a lot of fun and was brought to you through the efforts of many volunteers, including our town board members (Earl Barcomb, Amy Pokorny), supervisor Vas Lefkaditis and his crew of hay movers, Amy Anderson and volunteers who staffed the games, crafts and refreshments. Thanks also are extended to the Berne Youth Council for providing assistance in the face painting station and for providing refreshments.

The Youth Council is currently recruiting volunteer presenters for a weekend workshop series during the month of March. If you have a talent or interest you would like to share with our youth, please contact Maryellen Gillis (contact information follows) for more information. We are hoping to present a wide variety of workshops of interest to our children, kindergarten through grade 8.

The KYC has an exciting and full schedule of activities planned for the upcoming year. Beginning with **Winterfest on January 14, 11 am-2 pm** (card-board sled races & chili!) in the Knox Town Park and continuing throughout the year, we have a wide variety of events planned for the families of Knox and surrounding communities. We welcome new members throughout the year and ask you to consider becoming involved in one or more of the upcoming events. For a complete listing of the planned events, visit ([www.knoxny.org](http://www.knoxny.org)) or contact Maryellen Gillis, Youth Services Coordinator at:

**872-1899** or ([mgillis1023@gmail.com](mailto:mgillis1023@gmail.com)).

# KNOX FIRE COMPANY NEWS

by Russ Pokorny

The Knox Fire Company answered 71 calls in the last Fiscal year (Dec. 1 – Nov. 30). We begin the new year with 31 active members on our roll. We recently held drills to review our skills in responding to chimney fires, which become more likely as the heating season begins. We also reviewed procedures for use of portable water pumps for pumping out flooded basements, fire police procedures, use of our thermal imaging cameras, which allow us to view hot spots in walls and possibly locate victims, and procedures for extricating victims from motor vehicle accidents. In November we attended a presentation at the 911 call center for an update on how calls are handled by dispatch.

A few of our members provided demonstrations for the Knox Nursery School and also for the BKW grade school for Fire Prevention Week.

*Patrick Sweet, (firefighter Brandon Bradley's side kick and cousin) trying on some turnout gear, after working hard all day helping in the dining room.*

We had a very successful Turkey Dinner fundraiser in early November. We thank everyone who helped, as well as those who patronized the dinner.

Our annual fundraiser letter has just been sent out. We will appreciate all contributions. Proceeds are used to cover expenses which can't be met with town funding.

Weekly meetings are held on Mondays at 7 pm; feel free to come by to say hello or to join us as a volunteer!

*New member Chris Pensack is sworn in by Company President Dan Sherman at the December 5 monthly meeting with Chief Bill Vinson looking on.*

## **Senior Lunches** *by Linda Hodges*

Helderberg Senior Services (HSS) is thrilled to be hosting a senior congregate lunch on **Mondays, Tuesdays, & Fridays**. The food is provided by Senior Services of Albany (SSA). If you tried the food more than a year ago, you do not know how delicious the lunches are now. **SSA knows how to make unsalted food taste really good**. We serve **at noon**. The current menus are up on the town websites. Or call me, Linda Hodges, at **872-0940** and I will gladly tell you what's for lunch.

Congregate Dining is funded by Albany County Department for Aging, NYS Office for Aging, and the Administration on Aging. There is a \$3.00 suggested contribution towards the cost of the meal, but no one will be turned away for inability to contribute. You can come to lunch for free if you want to or if you need to.

**Transportation** is available with the Town of Berne blue van. Please contact Linda Hodges at **872-0940** by 10 am the day before you would like to come to lunch so we will be sure to have enough food, and to arrange a ride.

Nearly every day we have games after lunch. We also started doing Tai Chi after lunch. We do monthly crafts and we are planning some trips. We have a monthly contest where you can win \$10 just by coming to lunch. The more times you come, the more chances you get. Check us out; we would love to see you. If you are a group of seniors looking for a place to meet, you can have lunch and use the senior center afterwards for your meeting. We have a lot of room.

## HISTORICAL SOCIETY NEWS

*By Dennis Barber*

Our 2017 season opens on Memorial Day from 10 AM till 2 PM. Then we will be open every Wednesday from 10 AM till 12 noon in July and August. We will also be open during any event we would have in the summer and fall. Stop by the Saddleire Homestead, museum and home of the Knox Historical Society and pick up a self guided tour brochure and tour our Barn Quilt trail, our Historical Marker trail and our Dutch Barn tour. While you are at the museum please visit our 8 rooms of Knox history from the Knox Cave room to the Pill Box room. The museum will also be accessible by appointment by calling Dennis Barber at 860-7861. We are in need of members; please join us any first Tuesday of the month 7 PM in the Knox Town Hall. Take a look at our fantastic web page which may be accessed from the Town of Knox web page.

# Trash Talk Transfer Station News

Markets for recycled materials keep changing. That means items the Town can accept, and the fees we have to charge, also keep changing. Check the Town website (below) for the most current information.

We are **temporarily unable to accept TVs.**

**Recycling fees for tires** have recently increased:

Car Tires:	\$3
Light Truck Tires:	\$6
Truck Tires:	\$15
Tractor Tires:	\$15 per ply

Watch for fee changes and other updates at:

[www.knoxny.org](http://www.knoxny.org)

The Town pays \$52 for every ton of trash that goes to the landfill at Rapp Road. It adds up to nearly \$5,000 per month! **Less trash = lower costs.**

We can help keep town taxes down by **recycling:**

**COMPOST** your yard waste at home - grass clippings, brush, leaves, vegetable peels and food scraps (not meat or greasy foods).

**Cardboard** and **paper, plastic, tin** and **glass** that is recycled costs us nothing and saves taxpayer money. All other recycling helps offset taxes further.

The **textile** shed accepts clothing, shoes, purses, belts, blankets and stuffed toys, and you can get a receipt for your donations to itemize income taxes.

The Town is paid a small sum for those items.

## Property and School Taxes *by Russ Pokorny*

It's tax season. Do you ever wonder where your tax money goes? If you had a home assessed at \$100,000, (its market value would be \$161,290), here's how it would be distributed:

Your taxes would be \$4,332.39. Of that, \$40.57 would go to the Town, and \$151.79 would go to the Highway Department, for a total of \$192.36 in Town taxes. \$204.52 would go to the fire company, \$645.95 would go to Albany County, and \$3,289.56 would go to the school (see below).

### Town of Knox Property Tax Breakouts in 2017

Example Property	Taxable Value per \$1,000.00	\$	\$	% of Total Bill
Town Tax Bill	County	\$ 6.46	\$ 645.95	15%
	Town	\$ <b>0.41</b>	\$ <b>40.57</b>	1%
	Highway	\$ <b>1.52</b>	\$ <b>151.79</b>	4%
	Fire	\$ 2.05	\$ 204.52	5%
School Tax Bill		\$ 32.90	\$ 3,289.56	76%
Total Tax Bill / Year		\$	\$ <b>4,332.39</b>	100%
