Review of March Minutes

***Tom made a motion to approve the minutes, Ed seconded it, all in favor.***

Tom reviewed the failed motion made in March regarding the RIC solar array. Tom is currently emailing with the Knox Town attorney regarding the vote and if a re-vote can be made. Last month one of the Planning Board members had to leave the meeting during the vote due to a family emergency and was unable to vote. At this time there is not a definite answer whether or not the vote can be re-done.

Question from Eli Fanning, audience member: Did the town attorney say that last month's vote was legal and binding?

At this time that question cannot be answered until there is further discussion with the town attorney.

John Reagan to present more information at next month's meeting. More information from the town lawyer will also be discussed.

***Tom made a motion to adjourn at 7:20pm, Ed seconded, all in favor.***

Next meeting to be held May 13 at 7pm.
